

DANIYELLA

THE STORY OF MY LIFE

I used to play my heart away
I flew so high – if only I had known
That it was worth to stay with two feet on the ground

I lived my life in yesterday
Tomorrow was always too hard to find
Then in today I found the answer to my prayers

**You lift me up when I'm down on my knees
Take me into your arms
You give me hope when it's hard to believe
Shelter me from the harm
And just when I think it's too good to be true
You look into my eyes
To put it in words - you're the story of my life**

Now there is you – my dream come true
In rainbow skies I found my pot of gold
You guide my way to see the light inside the dark

CHORUS
